About Binary University

Established in 1984, Binary University is rated as a 5 STAR (Excellent) University by the Ministry of Higher Education, Malaysia. The University is a specialist university for Management, IT and Entrepreneurship. It is the ONLY University that produces a unique breed of graduates called Industry Specialist Professional (ISP) graduates who are equipped with industry - specific skills. This is why Binary University enjoys one of the highest graduate employability among all universities in Malaysia, i.e.: rate of 96% (Source: Tracer Study, MOE). In addition to this, all of its graduates are provided with extensive entrepreneurial skills to enable them to climb the corporate ladder faster.

Binary offers PhDs, Doctorate, Masters as well as Bachelor degree programmes and is patronized by international students from over 60 countries. Binary degrees are also being offered in Europe, Africa, Middle East, the Indian Sub Continent and Central Asia.

The university is supported by 5 dedicated research centres in social entrepreneurship, business entrepreneurship, women leadership, ICT and advanced management. The university also produces a peer reviewed journal called the International Journal of Management and Entrepreneurship (IJME) which is subscribed internationally.

About Loyola Institute of Business Administration (LIBA)

LIBA is a premier B-school, established in 1979, to produce competent and committed leaders who are ethical, principle-centred, socially responsible with a global perspective and entrepreneurial spirit. LIBA is located within the premises of Loyola College. LIBA is managed by Jesuits of the Loyola College Society well-known for their outstanding contribution to higher education. LIBA stands for excellence and ethics which are the hallmarks of Jesuit business education. All its programmes and activities embody these two elements. LIBA earnestly strives to inculcate in the students the values of excellence, justice, honesty and service to the society.

LIBA focuses on the holistic formation of students in all quotients, viz., intellectual, social, emotional and spiritual. The institution works with an undeterred zeal to offer its students the best of education, blending classroom and experiential learning.

The LIBA - Binary Partnership

The LIBA - Binary Partnership provides a unique opportunity for LIBA graduates to complete the internationally recognized Binary MBA at an affordable cost, the details of which are as follows:

- LIBA graduates who have completed the Executive Diploma in HRM, Marketing, Finance, etc. streams will enjoy 18 credits exemptions from the Binary MBA.
- LIBA graduates will need to complete 5 taught modules and a capstone project.
- LIBA graduates will complete 4 modules at LIBA, taught by LIBA and Binary Faculty and the final module plus capstone project viva-voce by Binary faculty at Binary University.

The Binary MBA

The Binary MBA (full-time) aims to produce Industry - Specialist Professionals (ISP) who possess the following:

- A thorough understanding on general management.
- Excellent problem-solving and analytical skills, necessary to function as an effective manager.
- In-depth practical knowledge of a specific industry in which the graduate has a passion to work in.
- The entrepreneurial and leadership skills needed to drive an organisation beyond the ordinary.

Learning Outcomes

Upon completion of this programme, the student will be able:

- To analyse and solve managerial problems effectively.
- To evaluate the impact of globalisation on people, businesses and the economy.
- To communicate effectively.
- To analyse how social and ethical issues affect organisational strategies, structures, and systems.
- To analyse a firm's behaviours which lead to sustainable competitive advantages.
- To critically examine the role of entrepreneurship within a corporate environment.

Binary MBA to Doctoral Programmes

Upon completion of the Binary MBA, you may pursue one of the following programmes:

- The Doctor of Philosophy (PhD)** offering research areas in Entrepreneurship, Leadership, Marketing, Human Resource Management, Total Quality Management, Finance and IT.
- The Doctor of Business Administration (DBA)**

The PhD is the highest academic research degree whereas the DBA is an applied research management degree. The PhD is open to anyone who holds a recognised Masters, whereas the DBA is open to those who possess a recognised Master plus 5 years working experience at managerial level.
